4. Let's guess. Where are they from? Where are they going?

Francesco, I'm having a great time here in Şanlıurfa, Turkey. There are lots of things to see and do!

Şanlıurfa is an interesting and historic city. It's sunny and hot every day. I am going to visit Göbeklitepe on Monday. It is the world's first temple and it is very old. I am so happy and excited to see it! Then, I am going to visit Bakırlıgöl (Fish Pool) and eat lahmacun. I like eating lahmacun very much! The chef in the hotel cooks lahmacun with meat, vegetables and dough.

See you soon!
Love, Laura

Dear Yaren, I'm on holiday in Barcelona. I think I love Spain! My favorite place here is Park Güell. I am visiting gardens and architectural elements in Park Güell. It's very colorful and beautiful. I take photographs for you.

I am visiting the Boqueria Market tomorrow. It is the first local market in Barcelona. I want to buy fruit juice and desserts. I like Spanish cuisine, my favorite food is the Spanish omelet. You can cook it in your kitchen too! Add some potatoes and onions to the omelet!

Please try it!
Love, Daniela

Dear Enrique, I am having a wonderful holiday with my parents here in Venice. My mother loves Italy because Italy has great beaches and beautiful natural scenery. My father loves museums and the city, Rome. I love eating pizza, pasta and colorful ice creams. My favorite pizza is Pizza Napoletana. It has tomatoes, mozzarella cheese, and olive oil.

We are traveling to Venice today and I like gondola rides on Canal Grande. Canal Grande is fantastic!

Wish you were here!
Enrique
